# “Rally for Ningaloo”

Tim Winton

We can still save Ningaloo Reef from destructive exploitation. You can join thousands of other Western Australians committed to preventing the massive marina resort and ensuring responsible development.

**JOIN US AT THE ‘RALLY FOR THE REEF’,  
FREMANTLE ESPLANADE, SUNDAY, 1 DECEMBER, 11AM.**

The rally is our most powerful means of making the Gallop Government fully aware of the community’s overwhelming opposition to the Ningaloo marina proposal. For more information phone 9420 7266 or visit [www.SaveNingalooReef.org](http://www.SaveNingalooReef.org)
